Ground water measuring devices - order got behind other more urgent needs last year.

Order requiring ground water measuring device was sent late summer 2013.

Out of 430 wells, only ½ have responded. You need to respond or Water master will be instructed to shut you off.

Water accounting system is being Refined – this year should be better. The system should help show what is:

2: Natural Flow

3: Ground Water – better accounting in 2014
Water users will need to work with Water Master in calling for water.

Resolution # 9 replaced by #9a
